

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

KASSONDRA BAAS, et al.,

Plaintiffs,

No. C 07-03108 JSW

v.

DOLLAR TREE STORES, INC.,

Defendant.

**ORDER STRIKING  
DEFENDANT'S MOTION TO  
DENY CERTIFICATION**

On February 29, 2008, defendant Dollar Tree Stores, Inc. ("Defendant") filed a motion to deny certification. Defendant's arguments and evidence in support of such motion should have been filed as an opposition to Plaintiffs' affirmative motion for class certification. The Court further notes that Defendant's purported motion was twenty-five pages, in violation of the Court's Standing Orders. (General Standing Order, ¶ 6 ("All briefs ... with the exception of summary judgment motions and claims construction briefs, may not exceed fifteen pages in length ....").) The Court HEREBY STRIKES Defendant's motion to deny certification. Defendant may file a brief and evidence in opposition to Plaintiffs' motion for class certification in accordance with the Court's Standing Orders.

**IT IS SO ORDERED.**

Dated: March 3, 2008

  
JEFFREY S. WHITE  
UNITED STATES DISTRICT JUDGE
